Have Questions?

Have questions about a training or certification exam,
course purchase or scheduling?

Please submit a Training & Certification Support Request. It is the fastest way to
receive support.

[T&C SUPPORT REQUESTS](#)

Hello, there! Are you familiar with
open source software security?

Project Support

For hosted project support, please **Submit a Support Request**.

Security Issues

To report vulnerabilities, see the **security** page.

Project Hosting

To learn more or inquire about hosting a project at the Linux Foundation, please visit our **Host a Project** page.

Contact Us

We do not provide any support for Linux. To get answers to your Linux questions, please check Linux-related resources available on the Internet or contact the distribution vendor.
